Recommendations for Stock

the following parts are most subject to wear in ordinary operation:

name of part	style number	number required
Control Panel - 125 Volt, D-C	1649 304	1
Class 15-825-N17 Contactor	1632 010	1
Spare Parts Kit	1605 211	2#
Operating Coil	1613 346	1#
Type SG Relay	1161 540	1
Operating Coil	1008 524	1#
Control Panel - 250 Volt, D-C	1649 305	1
Class 15-825-N17 Contactor	1632 011	1
Spare Parts Kit	1605 211	2#
Operating Coil	1613 353	1#
Type SG Relay	1210 936	1
Operating Coil	1155 128	1#
Control Panel - 230 Volt, A-C	1802 631	1
Class 15-825-N1 Contactor	1577 230	1
Spare Parts Kit	1605 212	1#
Operating Coil	1470 242	1#
Type SG Relay	1205 617	1
Operating Coil	1008 520	1#
Resistor - 1200 Ohms	1802 632	1
Control Panel - 48 Volt, D-C	24D2842G03	1
Class 15-825-N17 Contactor		1
Spare Parts Kit	1605 211	2#
Operating Coil	1613 354	1#
Type SG Relay	1205 612	1
Operating Coil	1008 520	1#
Control Panel - 24 Volt, D-C	24D2842G04	1
Class 15-825-N17 Contactor		1
Spare Parts Kit	1605 211	2#
Operating Coil	L-606911	1#
Type SG Relay	1205 620	1
Operating Coil	1008 517	1#

For one to five control panels order parts identified #. For six to ten control panels order double the quantity identified #, plus number required of all other parts.
