AUTOMATIC RECLOSING RELAY

TYPE NSR

MODEL 12NSR99AB001A

INTRODUCTION

This instruction book along with GEK-45346 form the instructions for the 12NSR99AB001A relay.

DESCRIPTION

The 12NSR99AB001A relay is similar to the 12NSR21G1A relay except the normally open "A" contact between terminals 9 and 10 is replaced by a normally open "TU" contact. See Fig. 1 of this book.

These instructions do not purport to cover all details or variations in equipment nor to provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the General Electric Company.

To the extent required the products described herein meet applicable ANSI, IEEE and NEMA standards; but no such assurance is given with respect to local codes and ordinances because they vary greatly.
