Price Policy

Prices are subject to adjustment upward or downward based on changes in Bureau of Labor Statistics labor and material indices as stated in SP 50-000.

The applicable price policy for Instrument Transformers is **Price Policy B**.

Firm Price Option

If desired, price protection is available at the time of order entry for shipments made within twelve months of the date of quotation. The Bureau of Labor Statistics adjustment will be calculated from the base point to the date of quotation, and to this adjusted price will be added 1.0% for each month or any fraction of a month from the date of quotation to the date of shipment. This protection will not be offered for shipments exceeding twelve months from date of quotation.

Terms of Payment

Policy A from SP 50-000 is applicable.
